IdelYamin

Custom plan pricing sheet

AI assistant for restaurants and shops on WhatsApp - idelyamin.com

Who it is for

Businesses that need more than 5,000 customer chats a month:
chains, several branches or very high volume.
Every feature of the other plans is included. Only the number of chats changes.

How the price is calculated

Monthly price = $149 (Pro plan, 5,000 chats) + $25 for every extra 1,000 chats a month.
Prices in US dollars. A chat is one conversation with one customer in a 24-hour window.

Examples

Chats a month	Monthly price
5,000	$149
6,000	$174
8,000	$224
10,000	$274
15,000	$399
20,000	$524

Billing and terms

- Billed monthly by card. Paddle.com is the Merchant of Record and handles payment, invoices and sales tax.
- No setup fee. Cancel any time; access continues until the end of the paid period.
- Full refund within 14 days of any payment, no questions asked (see idelyamin.com/legal.html#refunds).
- Unused chats do not carry over to the next month.

Included

- Answers on the business's own WhatsApp number in English, French and Lebanese Arabic.
- Takes orders and sends each one to the owner to confirm.
- Nightly sales report, and reports with Excel export.
- The owner can take over any chat at any time.
